### ***About TriTech, TriFusion and eKey companies***

**M/s TriFusion Ltd** is a UK company having its registered office at 105, The Broadway, London NW7 3TG, United Kingdom ([www.trifusion.net](http://www.trifusion.net)). The firm is the sole and exclusive Distributor for the territories of UK and India of the products of **M/s ekey biometric systems GmbH & Co KG**, Linz, Austria ([www.ekey.com](http://www.ekey.com)).

**M/s TriTech Systems** is a Pvt. Ltd. company having its registered office at S.C.O. 324 Sector 38 D, Chandigarh, India ([www.tritechsystems.in](http://www.tritechsystems.in)). It has been appointed the sole and exclusive distributor of the products of **M/s eKey biometric systems GmbH & Co KG**, Linz, Austria by **M/s TriFusion Ltd** for the entire territory of India. **TriFusion Ltd** provides all technical, maintenance, trainings, logistic, advertisement and marketing support to **M/s TriTech Systems** including warranties and indemnities for all products. All key personnel of **TriTech Systems** have received intensive and comprehensive trainings in the UK.

First and second level support for all products is provided jointly by **M/s TriTech Systems** and **TriFusion Ltd** whereas third level support is provided by **M/s eKey biometric systems GmbH & Co KG**, Austria.

### ***The Products:***

TriTech Systems is the sole and exclusive distributor for India for state of the art Biometric products manufactured by M/s eKey, Austria. Initially stand alone single relay access control systems are being launched. However, the entire range of products including fully networked access and logical control systems are being introduced very shortly. All products incorporate the leading edge Biometric technology in the world and feature the most advanced and patented “thermal scan” technology of **Atmel Company** ([www.atmel.com](http://www.atmel.com)).
